

ARE INVITING YOU TO

the seventh year of the international conference for young researchers and PhD. students.

• ERIN 2013 •

The Conference is held under auspices of professor Ľubomír ŠOOŠ,
Dean of the Faculty of Mechanical Engineering

15th - 17th of May 2013
Častá - Papiernička, Slovak Republic

DEADLINES

On-line registration on the website: erinconference.org

Abstract submission	by March 1, 2013
Contribution submission	by March 11, 2013
Fee payment (A)	by March 11, 2013
Fee payment (B)	by April 15, 2013

FEES

(A)	
Active attendance	125,-€ (includes 20% VAT)
Passive attendance	80,-€ (includes 20% VAT)
(B)	
Active attendance	150,-€ (includes 20% VAT)
Passive attendance	105,-€ (includes 20% VAT)
Fees for active attendance includes: Proceedings of abstracts, CD of full papers, Accommodation and board, Social events.	
Fees for pasive attendance includes: Proceedings of abstracts, CD of full papers.	

BANK DETAILS

Bank name: Štátna pokladnica SR
Account number: 7000085579/8180
IBAN: SK 3381 80 0000007 000085579 SUBA SK BX
Constant number: 0308
Specific number: Surname, Name
Variable number: 0313
IČO: 00397687
DIČ: 2020845255
IČ DPH: SK 2020845255

REGISTRATION

website: erinconference.org
Please see the conference website for more information.

LANGUAGES

english, slovak, czech

ORGANIZATION COMMITTEE

Head of the organization committee:
Ing. Peter Križan, PhD.
Vice-head of the organization committee
Ing. Iveta Onderová, PhD.
Ing. Miloš Matúš
Ing. Juraj Beniák, PhD.
Ing. Juraj Ondruška, PhD.
Ing. Lucia Ploskuňáková
Ing. Viliam Čačko
Ing. Peter Biath
Ing. Samuel Sobota

FAX: 00421 2 524 97 809

CONFERENCE TOPICS

INNOVATION TECHNOLOGY
- rapid prototyping
- smart structures
- high technology, biotechnology
- e-education

PRODUCTION ENGINEERING

- production technologies
- machines and equipment for machining, forming and welding
- tools and fixtures
- fluid systems
- CAD/CAM systems
- controlling of manufacturing structures
- DFx - product development
- automation

ENERGY SOURCES

- environmental technologies
- machines and equipment for treatment of waste
- energetic self-supply of the country
- renewable forms of energy

COMPLEMENTARY TOPICS

- presentation of dissertation theses
- presentation of the project results

OUTPUTS OF THE CONFERENCE

Outputs of the ERIN will be the Proceedings of abstracts in printed form. Full reviewed contributions will be published on CD as an attachment of Proceedings of abstracts. Obligatory for contributions publishing in the Proceedings are online registration and fee payment before the 15th of April 2013.

Selected contributions will be recommended for publication in some of the following Journals and will be further reviewed for these purposes.

ERIN Journal
MM SCIENCE Journal
Journal - THE HOLISTIC APPROACH TO ENVIRONMENT
ACTA POLYTECHNICA
Journal - THE FUELS
ANNALS OF FACULTY ENGINEERING HUNEDOARA
ACTA TECHNICA CORVINIENSIS

Obligatory for contributions publishing in Journals are online registration, fee payment before the 15th of April 2013 and contribution in English.

PRELIMINARY PROGRAMME

15th of May 2013 (Wednesday)
13:00 - 16:00 Presentation, Accommodation
16:00 - 16:15 Conference Opening
16:15 - 18:00 Plenary Session
18:00 Welcome Reception
16th of May 2013 (Thursday)
08:00 - 09:00 Presentation, Accommodation
09:00 - 12:00 Sessions
12:00 - 14:00 Lunch
14:00 - 17:30 Sessions
17:30 - 19:00 Excursion
(Small Carpathian region)
20:00 - 20:45 ERIN 2013 Awards Ceremony
21:00 Social evening

17th of May 2013 (Friday)
07:30 - 08:30 Breakfast
08:30 - 12:00 Sessions
12:00 - 12:30 Closing Address
12:30 Lunch

INTERNATIONAL SCIENTIFIC COMMITTEE

Prof. Ing. Ľubomír Šooš, Ph.D. – Slovak University of Technology in Bratislava (SK)
Prof. Ing. František Hrdlička, CSc. – Czech Technical University in Prague (CZ)
Prof. Ing. Pavel Kolat, DrSc. – VŠB-Technical University of Ostrava (CZ)
Prof. Ing. Peter Demeč, Ph.D – Technical University of Košice (SK)
Prof. Franz Winter – Technical University of Wien (AT)
DSc. Ladislav Lazič, prof. - Faculty of Metallurgy University in Zagreb (HR)
Prof. Tauno Otto, PhD. - Tallinn University of Technology (EE)
Prof. Priit Kulu, PhD. - Tallinn University of Technology (EE)
Dr. h. c. Prof. Janko Hodolič, Dr. Sc. - University of Novi Sad (RS)
Prof. Dr. Eugenija Strazdienė - Kaunas University of Technology (LT)
Assoc. Prof. Caius Panoiu - University Politehnica Timisoara (RO)
Assoc. Prof. František Urban, Ph.D. – Slovak University of Technology in Bratislava (SK)
Assoc. Prof. Marcela Pokusová, Ph.D. – Slovak University of Technology in Bratislava (SK)
DSc. Damir Hršak, Assoc. Prof. – Faculty of Metallurgy University in Zagreb (HR)
Assoc. Prof. Antanas Baltrušaitis, Ph.D. – Kaunas University of Technology (LT)
Prof. Jaan Kers – Tallinn University of Technology (EE)
Dr. Pal Szentannai, Assoc. Prof. – Budapest University of Technology and Economics (HU)
Assoc. Prof. Imre Kiss – University Politehnica Timisoara (RO)
Assoc. Prof. Uldis Spulle – Latvia University of Agriculture (LT)
Adjunct. dr. eng. Przemysław Bukowski – University of Environmental and Life Sciences in Wrocław (PL)
